

What follows is the basic information required in order for you to start enjoying playing tennis at Tetbury Dolphins LTC. We would also ask you to familiarise yourself with the constitution of the club. This can be viewed from the following link:

CONSTITUTION – <http://www.tetburydolphinsltc.co.uk/constitution.pdf>

1) Club sessions.

See “Membership” section of web site.

2) Court booking procedure.

The courts are owned by the Hare & Hounds hotel and as a result hotel guests also use them. Outside of club sessions please contact the hotel directly to book court time. Inform them that you are a member of the club, you will not be charged. As far as the club is concerned, if you are playing with a member, no further costs are incurred, if you play with a non member, a fee is to be charged as explained in the “Membership” section of the web site. Please fill in the guest book (under the notice board) and place the monies due in the “honesty box”.

3) Access to club house and courts.

If you require a key for the club house a £5.00 deposit must be paid that will be refunded upon its return to the Treasurer. Once inside the club house, the key to unlock the padlock on the gate nearest to the club house is to be found in the left hand cupboard at the far end of the club house. It will be found on the right hand side of this cupboard attached to a large wooden key ring. The key **MUST** be returned to the same location, once the gate has been locked, at the end of play.

4) Ball policy

Balls for club sessions are to be found on the table to the right of the notice board. If during the session it is felt that new balls are required, these are to be found in the corner cupboard at the far end of the club house. New tubes must be “signed out” in the book provided. Members can buy new balls outside of club sessions for £4.00 per tube. Again they must be “signed out” in the book and monies due placed in the honesty box.
